

Bachata

Dance has a very sensual effect due to its close, often body-contact. Bachata is danced all over the world, but not in the same form. The dance is based on three steps with a Cuban hipster movement, followed by a "hip toss" at the fourth step. The knees are slightly bent so that the dancers can rock their hips more easily. Hip movement is very important because it is an indispensable part of this dance's personality.

Teacher: Ms. Mónika Kovács

Time: Thursdays at 21:00-22:00

Location: PTE Dancing Studio (Ifjúság útja 6. building B)
