

Show / Musical Dance beginner

Participants of this class can acquire scenic choreographies which conjure up the mood of revues and musicals.

Besides, there will always be warm-up and stretching exercises in order to avoid injuries. The dances taught are based on many dance styles, merging elements of classical ballet, jazz dance, modern dance, hip-hop and disco, but acting and empathy are really important for the performance too, and sometimes elements of acrobatics are used as well. The main aim of this style is entertainment.
